

## **CCMI-1 Conditions of Use**

Access to data is restricted to the project participants for a retention period of 1 year from when data is deposited at the BADC. Privileged external collaborators will be granted access during the retention period by authorisation of the PI. Access to data is restricted to the project participants during phase 1 of the project. The data will become publicly available during phase 2. For details see [http://www.met.reading.ac.uk/ccmi/?page\\_id=251](http://www.met.reading.ac.uk/ccmi/?page_id=251)
