

RONOCO_AQUM Conditions of Use

The Met Office has agreed to provide data from the new (non-operational) Air Quality Unified Model for use only by the RONOCO team.

In order to be granted access to this data, users must agree to adhere to the following condition which will be applied strictly:

- Users must agree **not to publish** any of the AQUM data or any comments about AQUM without **written permission** from the Met Office.

Written permission can be obtained from Dr Debbie O'Sullivan, E-mail: debbie.osullivan@metoffice.gov.uk. Alternatively permission can be requested through the BADC helpdesk email: badc@rl.ac.uk.

This is in addition to the RONOCO data access conditions of use found at <http://badc.nerc.ac.uk/conditions/ronoco.html>

Contact details of successful applicants will be communicated to the RONOCO management team, who wish to monitor data usage.
