

Conditions of Use of NEU IP Data, for inclusion in all NEU data files

Instructions

Please copy and paste the highlighted text below

- *into the first lines of the Normal Comments field of all NEU data files formatted in NASA Ames;*
- *as the beginning of the 'comment' global attribute in all NEU data files formatted in NetCDF.*

These data were generated or collected within the framework of the NitroEurope IP.

The user agrees

- to restrict the use of the data to the context of the research topic specified at the time of the application, when this application was made to access data still restricted from the public domain;
- not to disclose the data to other parties;
- not to use the data for commercial purposes;
- that the Intellectual Property Right remains with the Data Originator;
- as long as feasible, to contact the Data Originator prior to any use of the data;
- to offer the Data Originator(s) co-authorship of any publication or communication based on NitroEurope IP data; in the event that the offer is declined or when the Data Originators cannot be contacted, Data Originators must be duly acknowledged.
