

FRANC project space conditions of use

- Access to this project space is restricted to FRANC project members and applications for access will be assessed and authorised by the delegated person within the FRANC project.
- The FTP project space is provided for the exchange of project-related documents and preliminary data and should not be used for any other purposes.
- This is NOT the data archive - validated data should be archived promptly in the appropriate CEDA data centre - Please contact your CEDA support person to discuss this.
- Your application and CEDA account details will be communicated to the delegated authoriser for access authorisation.
- CEDA neither backs-up, nor actively administers this area and so you are to take due care when dealing with items placed in this area
