

MEVEX Conditions of Use

Due to the sensitive defence nature of MEVEX campaign special access conditions apply to the data. This has been agreed by the FAAM operations committee as a special case.

- Access to all MEVEX core data is strictly restricted to participants in the project nominated by the PI (Jonathan Taylor, Met Office) until the PI deems otherwise. data will be restricted to MEVEX participants for the first 18 months following the last MEVEX flight. It will then be publicly available
- Some non-sensitive data may be made more generally accessible at the PIs discretion.
