

Please answer the following questions relating to your experience of the MSF and the service provided:

- 1) For the research that you are conducting, how many other UK spectroscopy laboratories do you know about that are equipped to make the type of measurements you require?
- 2) How easy is it to gain access to the Facility?
(1 = very hard; 5 = very easy)
- 3) Are you satisfied with the quality of spectroscopic data?
(1 = very unsatisfied; 5 = very satisfied)
- 4) How helpful is the supporting documentation on the Facility's website, www.msf.rl.ac.uk ?
(1 = not at all helpful; 5 = very helpful)
- 5) How would you rate the support given by the Facility's Project Scientist?
(1 = not at all helpful; 5 = very helpful)

Please answer the following questions relating to the use of data from MSF:

- 6) Will data be used for teaching purposes (i.e. in taught courses)? Yes No
- 7) Will data be used in a student project (either at undergraduate or postgraduate level)? Yes No

If you have any comments or suggestions, either specifically relating to the questions above or of a general nature, please include them below:
