<div align="center">**DATA SET Licence Agreement**</div>

UPSCALE date set - Output of the UPSCALE project using the HadGEM3 model as run on HERMIT and HECToR supercomputers

The UPSCALE data set (the "**Data**") was created by P. L. Vidale, M. Roberts, M. Mizielinski, J. Strachan, M.E. Demory and R. Schiemann (the "Authors") whilst employed at The University of Reading, Whiteknights, Reading, RG6 6AH ("**Reading**") or the Met Office, FitzRoy Road, Exeter, EX1 3PN ("Met Office").

The Data was developed using the HadGEM3 model in projects which received funding from NERC (JWCRP) and generated using the PRACE Research Infrastructure resource HERMIT based in Germany at HLRS.

The Data is owned by Reading or licensed to Reading with the right for Reading to sub-licence. The copyright holders include Reading, NERC and the Crown, Met Office. This Licence Agreement is being administered to you by Reading (the "**Source Party**") on behalf of the Reading and the other copyright holders.

Reading (the "**Licensor**") is now willing to make the Data available to you, the licensee, ("**You**" "**Your**") on the terms of this Licence Agreement.

PLEASE READ THIS LICENCE CAREFULLY. ONLY CLICK ON THE "ACCEPT" BUTTON IF YOU THE LICENSEE AGREE TO BE BOUND BY THE TERMS OF THIS LICENCE.

1. LICENSEE'S RIGHTS

In consideration of you agreeing to be bound by the terms of this Licence, the Licensor grants you a non-exclusive, royalty free, non-sublicensable, non-assignable, revocable license to use the Data for the Term (as set out in clause 11 below) for non-commercial educational and research purposes (the "**Purpose**"). It is recognised that benefit is accrued to the Licensor from use of the Data.

2. RESTRICTIONS ON USE

a. You may use the Data only for the Purpose. This Licence Agreement does not permit any commercial use of the Data of any kind by you. For commercial use of the Code you must have a commercial licence of the Code from the Licensor. The Licensor give no warranties or guarantees in respect of granting you a commercial licence of the Code.

b. You may use the Data on computers owned or leased by you and located on your campus or site or accessed via secure intranet.

c. You may copy the Data for back up purposes where such copies are necessary for the Purpose and you will preserve all copyright notices therein and give written warning that such copies may not be further copied and their use is subject to the terms of this Licence Agreement.

d. You may not assign, transfer, sub-contract or otherwise dispose of any of your rights or obligations under this Licence to any third party without the prior written consent of the Licensor.

3. NO SUPPORT

a. You recognise and agree that the Licensor is under no obligation to provide any support, maintenance, consulting, updates and/or revision of the Data or any similar services in relation to the Data, at any time.

b. If Reading at any time chooses to release to you an updated version of the Data or any variation or modification of, or addition to the Data, in whole or in part, ("**Update**"), this Licence Agreement shall apply to such Update as though it was part of the original Data.

4. NO PRODUCT WARRANTY

a. You acknowledge and agree that the Data is licensed to you on an "as is" basis and has not been developed to meet your individual requirements.

b. You further acknowledge and agree that the Licensor gives no guarantees or warranties whatsoever, whether express or implied, in relation to the Data, or any part of the Data, including without limitation:

(i) fitness for purpose;

(ii) merchantability and/or of satisfactory quality;

(iii) functionality and/or substantial performance;

(iv) free from defects in design, material and/or workmanship;

(v) defect and/or bug free use;

(vi) uninterrupted and/or error free use;

(vii) accuracy or completeness;

(vii) accuracy or completeness;

(viii) virus free;

(ix) non-harmful effect on any hardware and/or other software; and

(x) does not infringe any third party's intellectual property.

5. OWNERSHIP

You acknowledge and agree that any patents, design rights, copyright, database rights, know-how and any other intellectual property (whether registered or not or whether capable of registration) existing now and in the future in the Data ("**Intellectual Property**") shall at all times remain the property of the Licensor, or its licensors as applicable; that rights in the Data are licensed (not sold) to you; and that this Licence Agreement gives you no rights, title or interest whatsoever in relation to such Intellectual Property except as expressly set forth in this Licence Agreement.

6. CREDITS and PUBLICATION

a. All credits and copyright notices in or on the Data, both in listings and/or documentation, whether names of individuals or organisations, shall be retained in place by you at all times.

b. If you wish to publish any results obtained by you whilst using the Data ("**Results**") you shall first discuss the Results with the Licensor. If after discussion, the Licensor has outstanding concerns about the Results but you wish to publish the Results anyway, the Licensor can require you to include an accurately attributed comment about the concerns regarding the Results in the publication which you shall be obliged to include in any and all publication of such Results. The Licensor and other copyright holders reserve the right for joint authorship of any publications in which material based on or derived from the Data form a significant part.

c. In any publication of any results obtained by you whilst using the Data ("**Results**") you must acknowledge the Authors' original papers about UPSCALE. Contact details for the Authors are listed at the end of this Licence Agreement and may be updated from time to time. You must also acknowledge the use of the Data set in the following way:

"based on the UPSCALE data set licensed from the University of Reading which includes material from NERC and the Controller of HMSO & Queen's Printer. The UPSCALE data set was created by P. L. Vidale, M. Roberts, M. Mizielinski, J. Strachan, M.E. Demory and R. Schiemann using the HadGEM3 model with support from NERC and the Met Office and the PRACE Research Infrastructure resource HERMIT based in Germany at HLSR."

d. You may not display, distribute, communicate or otherwise make available to the public or any third party in any form without the prior written consent of the Licensor:

a. The Data; or

b. The whole or any substantial part of its contents or any copies thereof; or

c. any collection of information, data or images which are derived by you from the Data in the sense that those parts of the content of the Data that are contained in it or were directly relied on for its creation together from a substantial part of the content of the Data ("**Derived Data**")

d. Information which together with such other information communicated to the public or to the same third party are in total, Derived Data

7. NONDISCLOSURE

a. Under no condition and in no event shall you disclose the Data or modified, varied or updated versions of the Data, in whole or in part, to any third party except as expressly provided for in this Licence Agreement or without the prior written consent of the Licensor.

b. You shall not at any time make the Data available to any third party via a computer network.

c. You may disclose the Data to such of your employees and students for their use as is necessary for the Purpose ("**Authorised Persons**"), provided that each Authorised Person is bound not to further disclose the Data to any third party and is made aware of and complies with the obligations of this Licence Agreement and you agree to monitor, supervise and control the use of the Data by any and all Authorised Persons for the duration of this Licence Agreement.

d. This clause 7 shall survive termination of this Licence Agreement.

8. THIRD PARTY RIGHTS

Without prejudice to any right or remedy apart from the Act, a person who is not a party to this Licence Agreement has no right or remedy under the Act to enforce any term of this Licence Agreement, except that NERC and the Met Office may claim the benefit of clause 9.

9. NO LIABILITY

To the fullest extent permitted by law:

(a) the Licensor excludes all warranties, conditions and other terms implied by statute or common law into this Licence Agreement;

(b) you acknowledge and agree that the Licensor and its licensors shall not be liable in any way in relation to the Data and/or in connection with this Licence, including but not limited to for any damage arising out of the failure or malfunctioning of the Data; or loss of income; or loss of business profits or contracts; or business interruption; or loss of anticipated savings; or loss of or corruption or damage to information or data; or loss of opportunity, goodwill or reputation;.

(c) you hereby assume the risk of and release and forever discharge the Licensor and its licensors, their respective employees and any other individual or legal entity referred to in the foregoing sentence with respect to any expense, claim, liability, loss or damage, direct or indirect, including any special, incidental or consequential damages, of any kind, whether made or suffered by you in connection with the Data and/or in connection with this Licence Agreement.

(d) you acknowledge that the Data is in the process of development and may not be error-free, that the foregoing exclusion of liability is therefore an essential term of this Agreement and without which exclusion the Licensor would not be willing to enter into this Licence Agreement and make the Data available to you;

(e) the Licensor's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation or otherwise shall be limited to £1; and

For the avoidance of doubt, nothing in this Licence Agreement is intended to exclude liability for death or personal injury caused by negligence or for fraud or fraudulent misrepresentation.

10. GOVERNING LAW

This Licence Agreement shall be construed and enforced according to the laws of England and the parties submit to the exclusive jurisdiction of the English courts.

11. TERMINATION AND ENFORCEMENT COSTS

This Licence is effective from the date the Licensor sends you a copy of the Data or makes the Data otherwise available to you, whichever is the earlier, for a period of 1 year (the "Term") unless terminated earlier. The Licensor shall have the right to terminate this Licence Agreement with immediate effect at any time upon notice by pre-paid mail to you, including without limitation in the event that you, or any Authorised Person breach any provision of this Licence Agreement. In the case of expiry or termination of this Licence Agreement all rights granted to you under it will cease and you will immediately:

a) cease use of the Data;

b) ensure all Authorised Persons cease use of the Data;

c) delete or remove the Data, including all copies, from all computer equipment in your possession, custody and/or control; and

d) at the Licensor's option, destroy or return to the Licensor the Data and any copies thereof within fourteen (14) days of notification of termination. If the Licensor takes legal action against you to enforce this Licence Agreement and prevails, you agree to pay the Licensor's as applicable, legal costs, including reasonable legal fees.

13. ACKNOWLEDGEMENT

You acknowledge that you have read this Licence Agreement, understand it and agree to be bound by its terms and conditions. You also agree that this Licence Agreement is the complete and exclusive statement of agreement between the parties and supersedes all proposals or prior agreements, oral or written, and any other communications between the parties relating to the subject matter of the Licence Agreement. No amendment to or modification of this Licence Agreement will be binding unless in writing and signed by a duly authorised representative of the Licensor. You acknowledge that in entering into the Licence Agreement you have not relied on any representation, undertaking or promise given by the Licensor, whether express or implied, except as expressly set out in this Licence Agreement.

14. If any of the terms of this Licence Agreement are determined by any competent authority to be invalid, unlawful or unenforceable to any extent, such term, condition or provision will to that extent be severed from the remaining terms, conditions and provisions which will continue to be valid to the fullest extent permitted by law.

I agree to the terms and conditions as stated in this Data Set Licence Agreement and request that I be sent a copy of the UPSCALE Data.

Contact Details for the Authors

Prof. Pier-Luigi Vidale: p.l.vidale@reading.ac.uk

The Authors can be contacted for a current list of their relevant publications on the data set. Further papers are given in the documentation that comes with the Data.
