

## **FAAM Volcanic Ash Plume Flights Data conditions of use**

This dataset is restricted to users authorised by the FAAM Project Manager and Head of NCAS.

Your details will be communicated to the authorisers for access granting. They may be used in reporting to NERC and the Met Office.

The standard FAAM\_core conditions of use also apply:

- Data providers must be acknowledged in any publication using FAAM core data or any documentation supporting an application based on FAAM core data.
